REPUBLICAN NOMINATIONS.

FOR PRESIDENT, WM. McKINLEY,

FOR VICE PRESIDENT, GARRET A. HOBART, OF NEW JERSEY.

FOR PRESIDENTIAL ELECTORS. At Large-John F. DRYDEN. SAMUEL H. GREY. 1st District-Thomas W. TRENCHARD. 2d-Washington A. Roebling. 3d-Adolph Mack. 4th-Alfred R. Whitney. 5th-J. Hull Browning. 6th-James T. Ball.

7th-George F. Perkins. 8th-Ernest R. Ackerman.

MAHLON PITNEY, OF MORRIS COUNTY.

FOR SHERIFF. AARON P. KACHLINE, of Frenchtown.

FOR ASSEMBLY, JOHN Q. HOLCOMBE, of West Amwell, WILLIAM P. SIMPSON, of High Bridge.

FOR CORONERS, DR. ABRAM B. NASH, of Frenchtown, DR. J. T. LITTLE, of Bethlehem.

-The farmers have been objecting to the sending of professional men to represent them, men who are not in sympathy with their interests. Now that John Q. Holcombe, a farmer, is a candidate, they have a man to their liking. Vote for him.

-Every Democrat who wants to see a capable and honest sheriff in office will make no mistake in voting for Aaron P. Kachline. He is known all over the county as a first-class man. Freuchtown, his home, will give him an almost solid rote, and he will get a big vote from the NEW ADVERTISEMENTS. Democrats in every part of the county.

-Mr. Bryan pays the working people of the United States a very poor compliment when he assumes that they are too cowardly to show their political colors, and while really for Bryan, wear Mc-Kinley buttons for fear of their employ ers. Mr. Bryan will find, when the ballots are counted, that the working people are not hypocrites, as he intimates.

-The arguments used by the silverites in answer to the speech of John G. Carlisle, in Covington, Ky., last week, were perhaps very strong, but not convincing. Bad eggs are the appropriate defence of bad principles. If that kind of treatment of the most distinguished citizen of Kentucky does not make thousands of votes for the other side self respect and decency must be at a discount in that State.

-The campaign is drawing to a close. Every indication points to the election of McKinley and Hobart. But it is not enough to elect them. The verdict of the people should be so decisive as to forever bury the dishonest money and anarchistic heresics so deep that they shall never be resurrected. This is what every Republican and sound-money Democrat should aim at. Let there be no cessation of the battle until the enemy is defeated, "horse, foot and dragoons."

And remember, that it is quite as important to elect a sound-money congressman as to elect a president. Therefore work for and vote for PITNEY!

-Mr. Pitney, in an address at Phillips burg, recently, answered some statements made in Mrs. Leach's speech at that place. What he said was so effective that the silverites in that town have thought it necessary to bring the virago back to that burgh to reply to Mr. Pitney. No doubt he will get a laying out in Mary Ellen's best style. She has a very large stock of the most abusive words to be found in the dictionary. It costs fifty dollars to get her to wag her tongue. Her husband, doubtless, is very well satisfied to let her do her talking away from home, while he attends to the babies.

-Some of the Popocratic newspapers of the Fourth District are asking "what has Mahlon Pitney ever done for a Democrat?" We happen to know that a number of the pension claims obtained by

Oct. 7, 1896-3m. Congressman Pitney were for men who had always voted the Democratic ticket. Politics made no difference to Mr. Pitney, if the claim was a meritorious one it received his prompt and personal attention. -Morris Co. Chronicle.

Somehow the "crime of 1873" does not seem to be able to keep down the price of wheat when natural laws say that it

The people recognize and appreciate real merit. That is why Hood's Sarsaparilla has the largest sales in the world. Merit in medicine means the power to cure. Hood's Sarsaparilla cures—absolutely, permanently cures. It is the One True Blood Purifier. Its superior merit invited. lutely, permanently cures. It is the One True Blood Purifier. Its superior merit

is an established fact, and merit wins. Hood's Pills are easy to take, easy to

operate. Cure indigestion, headache.

-In many cases, the first work of Ayer's Sarsaparilla is to expel the effects of Great Harvest Gathering the other medicines that have been tried in vain. It would be a saving of time and money if experimenters took Ayer's Sarsaparilla at first instead of at last.

Democrats of this District should not loose sight of the fact that Mr. Cutler has not always followed in the the straight path of Democracy. During the Greenback craze he was foremost in the ranks of those who advocated soft money. He always took a stand against the late Governor Abbett when that leader led the Democratic hosts in memorable battles for victory. He sulked in his tent no later than last year because Chancellor McGill received the Democratic nomination for Governor instead of him self. If the Democrats of the Fourth dis trict would only realize the fact that Mr. Cutler is a Popocrat and not a Democrat there would be no danger of his

Hence the compliment of imitation which is mow paid to it in every city of note from the Atlantic coast to the Mississippi Valley.
